

Team meeting 11/9/15 – All

Agenda:

Discuss Design Review, Pendulum and plans, math model and design reviews we are going to

Design Review: Friday the 13th at 3:00pm

Time set to Dan

Meet to work at PowerPoint at 3:30 – at alehouse.

Information to your design.

Logbooks turn in Friday after Design Review

Pendulum: Looks solid, and has safety features

Need to get acceleration

Bring acceleration and motor from Arduino

Grab accelerometers

First hit a brick and then once we have it more refined, we can move onto the scope.

Need to figure out how to attach a motor.

Math model: Energy equation

Need to figure out how much energy we need to hit the scope with for 2000gs.

Which design review we are going to:

Kylie – RamJet and Truck bending

Dillon – Poinsetta GreenHouse, Tube Extraction

Jay – RamJet, Tube Extraction

Jason – report later

Action Items:

- PowerPoint – All – Tuesday at 3:30pm
- Math model – Jay – momentum
 - Kylie – Energy
- Hooking up a motor – Jason
